Welcome to Bristlemor, a stunning and modern second bedroom located in the Kenmanor Condominium building in the heart of Kensington, MD. This beautiful room is in a unit situated on the second floor top-corner and offers convenient and comfortable living for anyone seeking a modern lifestyle.

This unit has been recently updated to provide you with the utmost comfort during your stay. Its amenities include newly replaced HVAC systems, as well as modernized kitchen and bathroom facilities. The unit is not only furnished with stylish decor and comfortable furniture to help you relax and unwind, but it also comes with high-speed internet capable of reaching up to 300mbps. Additionally, managing expenses is made easier as water, electricity, heating, cooling, and gas are all included in the rent.

The Kenmanor Condominiums offer the ideal location for those seeking modern and convenient living. Situated near Bus 34, the building provides easy access to public transportation and the Navy Medical Center Metro Red Line, making it effortless to explore the surrounding area. With 25 units, the Kenmanor Condominium building is just a few minutes away from the Westfield Mall, the MARC train station, and the Wheaton Metro Red Line, ensuring residents have access to shopping and transportation. Bristlemor is the perfect choice for anyone looking for a contemporary lifestyle in a prime location.

This room is perfect for active-duty military members or single professionals and work from home professionals. The bedroom is equipped with a comfortable bed and plenty of storage space, making it easy to settle in and feel right at home. The 1.5 bathrooms are recently refreshed, and a new HVAC system is installed.

Overall, Bristlemor offers modern and convenient living in a prime location. With its convenient amenities, nearby access to public transportation, and beautiful design, Bristlemor is the ideal choice for anyone seeking a comfortable and convenient lifestyle. Come and experience the beauty and comfort of Bristlemor today!
